COMMISSION ON HIGHER EDUCATION

On behalf of the Commission on Higher Education, I send my warmest greetings to the Graduating Class of 2025, and extend heartfelt congratulations to your families, mentors, and the entire academic community who have walked with you on this transformative journey. This moment is not just a celebration of academic success, it marks your formal entrance into a vital role as stewards of our country's future. You graduate not only as individuals who have overcome academic trials, but as *Iskolar ng Bayan*, beneficiaries of the Filipino people's collective sacrifice and unwavering belief in education as a path toward national progress.

Through the Free Higher Education Law, your tuition and institutional fees were shouldered by the very communities you are now called to serve. Every lecture attended, every exam passed, every internship completed, these were made possible through the sweat, taxes, and dreams of millions of Filipinos who may never step foot in a university, but who believe that your education will one day uplift your family and the wider community you will be serving. This is the social contract that comes with free higher education: to whom much is given, much is expected. You graduate at a critical time. The Philippines stands at a crossroads, where we must rise not just from economic challenges, but also from social division, environmental degradation, and the deep need for ethical and visionary leadership.

We do not just need professionals, we need public servants in every field. We need educators who teach for justice and values. Scientists who innovate for sustainability. Entrepreneurs who create livelihood, not just profit. Health workers who heal with compassion. Engineers who build not only infrastructure, but a more inclusive nation. You do not need a title to lead. What this country needs are graduates who choose to lead with integrity, humility, and a sense of duty to the communities that shaped them. Let your diploma be more than proof of academic achievement, let it be your ticket to lifelong learning. Let it be a daily reminder of your responsibility to carry forward the aspirations of a nation that invested in your future. Let it push you to ask: *How can I repay this gift? How can I make my work matter for myself and my family?*

In every opportunity you pursue and every challenge you face, carry this truth with you: your success is the country's hope. And when you uplift others through your knowledge, your skills, and your compassion, you are not just building a career. You are building the Philippines. The Commission on Higher Education celebrates your achievements and stands behind you as you now take your place, not just in the workforce, but in the continuing story of nation-building.

Mabuhay ang Class of 2025! Mabuhay ang mga Iskolar ng Bayan!

OFFICE OF THE PROVINCIAL GOVERNOR

Assalamo Alaykum Warrhamatullabi Wabarakatobo.

First and Foremost, I would like to extend my heartfelt felicitations to the brilliant graduates of Mindanao State University – Main Campus, Marawi City and to the proud parents, esteemed faculty members, staff, officials, and those people who have served as your support system and foundation in reaching this momentous day of yours. This day may serve as your drive to be the best version of yourselves in your endeavor.

With this year's theme, "MSU: Sustaining an Equipoise of Technology and Moral-Spiritual Values Amidst Prodigious Change", may you instill in your mind that even the world is changing, as what the Greek Philosopher, Heraclitus, said "the only constant in life is change", there are things that must remain the same — and that is being firm to your advocacy to uphold the values and mission and vision of your beloved institution, and to foster balance between technology and your values. They might play a different role but together, they are instrumental to the progress and development of the country.

This day is not just the end of your academic journey rather it is a new path that must be taken with courage and passion. As you proceed to the new path, always bring with you the values that your Alma Matter has instilled in you, may it serve as your guide to achieve your success.

Once again, Congratulations! *Mabuhay kayo at ang Pamantasang Mindanao!*

BANGSAMORO AUTONOMOUS REGION

ISLAMIC CITY OF MARAWI

OFFICE OF THE CITY MAYOR

Assalamo Alaykum Warrhamatullahi Wabarakatobo.

To the esteemed administration, faculty, and staff of the Mindanao State University – Main Campus, and most especially to the graduating Class of 2025—my sincerest greetings of congratulations, peace, and pride.

This occasion, your 61st Commencement Exercises, is more than a ceremony. It is a testament to the tireless perseverance, unrelenting faith, and deep dedication that each of you has demonstrated in pursuit of knowledge. It marks the culmination of your academic journey—and the beginning of a far greater mission: one that calls you to become agents of hope, change, and progress for our beloved Marawi City, for Lanao del Sur, and for the entire nation. This year's theme, "MSU: Sustaining an Equipoise of Technology and Moral- Spiritual Values Amidst Prodigious Change," is both timely and profound. We live in a time where technology transforms our world at an unprecedented pace. Yet, amidst these sweeping changes, we are reminded that progress is hollow without purpose, and advancement is empty without integrity. The true challenge is not only to master technology, but to wield it with wisdom; not only to embrace modernity, but to ground it in faith, compassion, and cultural consciousness.

MSU has always stood as a pillar of enlightenment and empowerment in Mindanao—a beacon of inclusive education, social mobility, and intercultural understanding. As a proud Maranao and your city mayor, I have long recognized the vital role this institution plays in shaping the future of Marawi and its surrounding communities. In the wake of our city's most difficult chapters, MSU has been a refuge, a foundation of hope, and a crucial partner in rebuilding the soul and spirit of our people. To our dear graduates, as you step into a larger world, I urge you to carry more than just the knowledge you have acquired—carry your identity with honor. Carry your values with courage. Whether you choose to serve in classrooms, in government offices, in business, or in global industries, always remember that you are a reflection of your roots. You are the sons and daughters of a proud land that has survived, risen, and continues to rise.

Today, we celebrate not just your achievements, but your promise—the promise that you will lead with purpose, inspire with example, and give back to your communities in whatever capacity you can. Our city needs minds like yours. Our nation needs leaders molded not only by intellect, but by empathy and ethical conviction. Let this milestone be a springboard to greater things, but also a reminder that true success lies in how much good you bring to the lives of others. On behalf of the City Government of Marawi, I extend my heartfelt congratulations to each graduate and your families. May Allah (SWT) guide your steps and bless your future endeavors with success, fulfillment, and honor. Congratulations once again. May your future be as bright as the promise you carry today.

OFFICE OF THE PRESIDENT

Assalamo Alaykum Warrhamatullahi Wabarakatobo.

I offer my warmest congratulations to the graduating class of the Second Semester, A.Y. 2024-2025, the Batch Ayana!

Today marks not only the end of years of rigorous study and perseverance but also the beginning of a journey filled with greater responsibilities and boundless possibilities. Today, you leave the halls of Mindanao State University not just as scholars, but as stewards of progress in a world that is increasingly defined by complexity, speed, and digital transformation.

As we navigate this era shaped by rapid technological advancement, we must remain vigilant in upholding the human values that define true education. Technology equips us with the tools to innovate and solve problems at scale—but it is empathy, integrity, and wisdom that ensure such progress remains anchored in the service of humanity. This is the balance we strive to foster at MSU: a university where artificial intelligence enhances—but never replaces—critical thinking; where digital access empowers—but never disconnects us from the communities we serve; and where knowledge is pursued not only for success, but for social impact.

To our graduates, may your journey ahead be guided by this vision. May you remain grounded in your heritage, committed to lifelong learning, and bold enough to imagine and create a future that is both technologically progressive and deeply human. Carry with you the spirit of MSU—where excellence is never divorced from empathy, and where leadership is defined by service.

Again, congratulations, and may you rise with purpose!

He is also in the process of publishing his dissertation, "Charting the Course of Tomorrow's Public Transit: A Deep Dive into Policy, Traffic, Mobility, and Accessibility for Public Transportation Efficiency in Cagayan de Oro." He also serves as a guest speaker in various academic and professional events, where he shares his knowledge and expertise to inspire future engineers.

Notable engagements include the Oath Taking Ceremony of New Civil Engineers by the Philippine Institute of Civil Engineers, Inc. Misamis Oriental-Cagayan de Oro City Chapter; the Career Awareness Program for Civil Engineering Graduating Students at Capitol University; Rise Together: Elevating Team Spirit of the Department of Foreign Affairs – Region 10; the USPICE Summit 2024 themed Civil Engineers of Tomorrow: Creating Visionaries, Crafting Legacies at the University of Science and Technology of Southern Philippines; the First Hard Hatting Ceremony themed Civil Engineering: The Bridge Towards a Limitless Future at Mindanao State University – Main Campus, College of Engineering; and the 6th Baccalaureate and 9th Commencement Exercises themed Equipping Maranao Youth to Become Globally Competitive and Morally Upright Professionals in the Region at the Philippine Engineering and Agro-Industrial College, Inc.

Lastly, he has completed several professional development trainings, including Effective Public Speaking, Supervisory Development Course, Performance Governance System (PGS), Strategic Performance Management System (SPMS), Comprehensive Training for DPWH Field Engineers, and Materials Testing Technology. These programs have strengthened his management and leadership skills while contributing to his overall personal and professional growth. More so, to add in his numerous accolades, he also passed the Career Executive Service Written Exam (CESWE) and is now on track in the process of completing the requirements for his eligibility as a future Career Executive Service Officer. Guided by his vision of positive leadership and strong commitment to excellence, Engr. MACAPADO ABATON MUSLIM, Ph.D.

*Former University President
University Professor (ret.)
Mindanao State University
Marawi City, Philippines*

Dr. Macapado Abaton Muslim is a broadly trained scholar, leader and manager. He obtained his PhD and MA in Political Science from the University of Hawaii [UH], Honolulu, Hawaii, USA in 1990; his Master of Public Administration [MPA] from the National College of Public Administration and Governance, University of the Philippines [UP], Diliman, Quezon City in 1980; and his Bachelor of Science in Public Administration [BSPA] from the Mindanao State University [MSU], Marawi City in 1978. He was an East-West Center scholar at UH, a full scholar at UP, and a full scholar at MSU.

Dr. Muslim was President of the 11-campus Mindanao State University from March 5, 2010 to March 10, 2016, after serving as its Acting President from January 4, 2008 to March 4, 2010. A native son of Marawi City and Lanao del Sur (born on July 4, 1956), Dr. Muslim has an interesting professional trajectory. He rose from the ranks, from Instructor in June 1980, to Associate Professor V in January 1986, Professor VI in January 1991, and University Professor in March 2016. Managerially, he had served as Dean of the College of Public Affairs of MSU-Marawi from January 1991 to November 1994, and Campus Chancellor of MSU-General Santos from December 1995 to March 2007 (elected for two five-year terms). He had also served as Vice Chairman of the MSU Board of Regents from January 4, 2008 to March 10, 2016, and a member of the said Board from December 1995 to March 31, 2007. Moreover, he had served as Vice President of the Philippine Political Science Association [PPSA], Vice President of the Philippine Society for Public Administration, and Vice President of the East-West Center Alumni Association – Philippines.

As MSU President, Dr. Muslim succeeded in regaining the trust and respect that MSU had in the past by ensuring academic meritocracy in many aspects of its governance. He provided strategic and decisive leadership in the strengthening of the instruction, research and public service programs of MSU, aside from spearheading its internationalization efforts, and the spectacular strengthening of its income generation capacity. During his last three years as MSU President, Dr. Muslim was engrossed largely in supervising the planning and implementation of the infrastructure and equipment build up projects for all MSU campuses and

the strategic rationalization of their academic programs to make them globally competitive. As a public intellectual, he continued making significant voluntary contributions to addressing pressing national issues through his policy papers submitted to the President of the Philippines (on managing the COVID-19 pandemic, Marawi Rehabilitation, Strengthening BARMM Governance, and Political Leadership in Divided and Unequal Societies).

A scholar-manager, although immersed into the managerial and leadership imperatives of the MSU Presidency, Dr. Muslim continued to be academically productive and relevant. He lectures frequently in national and international conferences. He has about 60 publications and research papers on governance reforms and innovations, political leadership, the Bangsamoro armed struggle, multiculturalism, peace building, regional autonomy, federalism, poverty alleviation, education in Muslim countries, making universities more inclusive and competitive, internationalization, and other higher education issues.

Capping his publications are his books entitled *The 2018 Bangsamoro Organic Law in the Philippines: Solving the Mindanao Conflict with Autonomy Plus Compensatory Justice* (Quezon City: Saniata Publications, 2019), and *The Moro Armed Struggle in the Philippines: The Nonviolent Autonomy Alternative* (Marawi City: OP and CDPA, MSU, 1994/1997). His current research thrust is on political engineering (constitutional design and innovations) and public governance reforms in divided and unequal countries like the Philippines and several states in Asia. His upcoming book is entitled *Political Engineering and Constitutional Design for Good Governance in the Philippines*.

In recognition of his performance as MSU President, he was recommended by the CHED Chairperson to the President of the Philippines for appointment for a second six-year term in 2014. Moreover, he was conferred the Distinguished Alumni Achievement Award by the East-West Center Alumni Association-Philippines (2012); the Distinguished Alumni Achievement Award by the University of the Philippines-NCPAG (2008); and the Distinguished Alumni Achievement Award by the MSU Alumni Association (2011).

Dr. Muslim is a strong advocate of peace and nonviolence, multiculturalism, inter-faith relations, good governance for all, and providing responsive, globally-competitive and inclusive education. He is an associate of the Center for Global Nonviolence founded by the late Dr. Glenn Paige (Dr. Muslim's mentor at UH). He received a "Special Award for Muslim-Christian Understanding" from the Federation of Catholic Schools Alumni Associations [FCSAA] and the Good Citizenship Movement [GCM], March 25, 2011. He is also a recipient of the 1988 Dean Reed Memorial Scholarship Award for "Outstanding Achievements and Future Potentials on Behalf of World Peace", from the Institute of Peace, UH. Finally, he is a believer of the transformative magic of education for societal change, and the indispensability of having morally upright, competent and strategic leadership for ensuring effective public governance that delivers development plus peace for all.

Early Life and Education

Born in the serene town of Gambar, Maguindanao, Abdulraof Macacua's early years were steeped in the historical and cultural struggles of the Bangsamoro people. His formative years were marked by witnessing the tumultuous fight for self-determination, which ignited his dedication to the cause. Macacua's early exposure to political and social issues fueled his commitment to education as a tool for empowerment.

Career and Military Experience

Minister Macacua's career began in 1971 when, motivated by a strong sense of duty toward the Bangsamoro people, he entered the military. His involvement in the revolutionary movement was driven by the pursuit of independence for the Bangsamoro, a vision that guided his actions through the years. Through rigorous training in both local and international military settings, CM Abdulraof rose through the ranks of the Bangsamoro Islamic Armed Forces (BIAF) and eventually became its Chief-of-Staff.

As a key member of the Moro Islamic Liberation Front (MILF) Peace Negotiating Panel, he played a pivotal role in shaping the future of the Bangsamoro. His efforts helped pave the way for key advancements in the peace process and the eventual passage of the Bangsamoro Organic Law, which laid the foundation for the establishment of the Bangsamoro Autonomous Region in Muslim Mindanao (BARMM).

He has significantly influenced the development and governance of the Bangsamoro Autonomous Region in Muslim Mindanao (BARMM) through his roles as Senior Minister.
- As 1st Governor of the newly created Maguindanao del Norte, Macacua has been a beacon of progress for the province. His leadership has focused on empowering local communities, improving infrastructure, and boosting the region's agricultural and educational sectors. Under his governance, Maguindanao del Norte has witnessed growth in various sectors, with a focus on peace-building and creating an inclusive environment for all citizens, especially in historically underserved areas. BARMM HYMN

Simula noon hanggang ngayon
lisa ang naging layon
Magkaisa at magbuklod
Kagitingan ay marubdob

Tumayo tayo mula sa
hamon ng nakaraan
Niyapos ang panganib na
humahadlang
Pinangako sa puso at paniniwala
Ang ginhawang para sa kabataan

Bangsamoro'y tagumpay
Bunga ng pawis, dugo, at buhay
Kapayapaan, katarungan
Ay atin nang nakamtan
Alhamdulillah, Alhamdulillah
Pagpalain Bangsamoro

Bangsamoro, Bangsamoro
Lagi kang mamahalin
Walang pipigil sa damdamin
Mga pangako'y tutuparin
Habang-buhay kami sayo'y
magbabantay

Mananatili sa puso't isipan
Ang kahapong humimlay na
Nagbuwis ng buhay
Nasa piling nang maykapal

Bangsamoro'y tagumpay
Bunga ng pawis, dugo, at buhay
Kapayapaan, katarungan
Ay atin nang nakamtan
Alhamdulillah, Alhamdulillah
Pagpalain Bangsamoro

BAGONG PILIPINAS HYMN

Panahon na ng pagbabago
Dahil sa ito ay kinakailangan
Tayo na magtulong-tulong
Na paularin ang mahal nating bayan

Panahon na ng pagbabago
Dahil sa ito ay kinakailangan
Tayo na magtulong-tulong
Na paularin ang mahal nating bayan

Panahon na ng pagbabago
At iayos ang mga dapat ayusin
Dapat lang maging tungkulin
Ng bawat mamamayan dito sa atin

Gawin ang pagbabago
Patungo sa pag-asenso
Magsikap ng mabuti
At nang guminhawa tayo
Ipagmalaki natin sa mundo at ipamalas
Ang Bagong Pilipino at Bagong Pilipinas
Panahon na ng pagbabago

Tangkilikin natin ang sariling atin
At tama lang na ugaliin
Kaysa sa iba sa atin ang unahin

Panahon na ng pagbabago
At manguna sa kahit anong larangan
Ang tagumpay ay karangalan
lalay o ihandog natin sa bayan

Ilang ulit nang napatunayan ng Pilipino
Ang husay at lakas, kagandahan, at
talento
Handang makipag paligsahan kahit
anong oras
Ang bagong Pilipino, ang Bagong
Pilipinas

Panahon na ng pagbabago
Buhay natin ay gawing maaliwalas
Marami ang magandang bukas
Ang ibubunga ng Bagong Pilipinas
PANAHON NA!

PLEDGE OF LOYALTY

In grateful recognition of the opportunity afforded me by the Mindanao State University and the Republic of the Philippines, I hereby pledge to dedicate myself to the unflagging search for truth and greater knowledge particularly the dimensions needed for me to improve the quality of life of the common man and to demonstrate continually a disciplined will so as to preserve a high moral order all for the service of my country, humanity, and God.

ALUMNI OATH

I, (state your name), having graduated from the Mindanao State University (state your campus), do solemnly pledge that I shall fulfill my duties and responsibilities as a member of the Mindanao State University Alumni Association to the best of my ability and endeavor with all honesty and dedication. In so doing, I shall protect as well as promote the interest and welfare of the Association and its members in allegiance to its Constitution and By-Laws. I further promise to remain loyal to the Association and to the University at all times. And I finally pledge that I shall help my Alma Mater to the best of my capabilities to enable her to attain her noble mission of a nation that is truly free, united and progressive, and which is truly committed to service to God and to the Filipino people.

So help me God.

HIMNO NG PAMANTASANG MINDANAO

Silahis ang katulad mong
Nagsabog ng liwanag,
Ng pag-asa't hangarin
Ng pag-unlad.

Ang pook ng Mindanao
Tinanglaw't pinalad,
Nang ikaw'y isilang
Na dakila ang hangad.

Ating ipagkapuri
Itong pamantasan
Ang buhay at pag-ibig,
Sa kanya'y iaalay.

Saan man naroon ay
Bigyang karangalan,
Dakilang paaralan
Pamantasang Mindanao.
